**RESPONSE TO NOTICE OF NOT FULLY RESPONSIVE
 REPLY DATED JANUARY 8, 2007**

Dear Sir:

This is a Response to the Notice of Not Fully Responsive Reply For Application Under Accelerated Examination dated January 8, 2007 (hereafter "the Notice"). Applicants submitted on November 3, 2006, a Response to the Notice of Non-Fully Responsive Reply, dated October 5, 2006. With respect to Applicants response of November 3, 2006, the Office Action states:

The reply filed dated 11/03/06 does not include any reference to the applicant's provided paper dated 10/6/06 and regarding the claims dated 10/6/06. The reply filed dated 11/03/06 also does not refer to the interview summary dated 10/23/2006. The applicant is also requested to clarify on which claims to be used for the prosecution, either the claims presented on 10/6/06, or the claims dated 10/23/2006 or the claims dated 6/14/01.

Applicants respectfully submit in response the following remarks. In response to the Examiner's facsimile received by Applicants on August 25, 2006, that included the Examiner's recommendation of claim amendments, John Biggers, attorney for Applicants, and Examiner Patel had a telephonic interview on October 6, 2006 discussing

potential amendments to the claims of the present application. The Examiner's interview summary of October 23, 2006, correctly summarizes that interview. Applicants submitted an Amendment on October 6, 2006, to incorporate the Examiner's recommendations from the Examiner's facsimile dated August 25, 2006, as discussed in the telephonic interview of October 6, 2006. The Amendment filed October 6, 2006, includes the Examiner's recommendations and correctly sets forth the claims as amended for prosecution in this case.

The Examiner also provided an earlier Notice Of Not Fully Responsive Reply For Applications Under Accelerated Examination dated October 5, 2006, notifying Applicants of a need to submit terminal disclaimers. Applicants responded to the Notice of October 5, 2006, submitting the terminal disclaimers, in Applicants' Response dated November 3, 2006.

Applicants respectfully submit that this present Response correctly references all pertinent documents in the case, explains which claims are in use for prosecutions, and, together with the earlier Response of November 3, 2006 and the amendments of October 6, 2006, places the case in condition for allowance.

The Commissioner is hereby authorized to charge or credit Deposit Account No. 09-0447 for any fees required or overpaid.

Respectfully submitted,

Date: February 6, 2007
